

FECT

Federation for Environment, Climate and Technology

Organizational Summary Document

1. About FECT

The Federation for Environment, Climate, and Technology (FECT) is a group of 7 organizations and two affiliated groups dedicated to developing usable social scientific and technology data for societal well-being and environmental preservation. These seven organizations are registered in four countries and work substantively in seven.

FECT brings together 31 scientists whose activities cover some of the Indian Ocean Islands (Sri Lanka, Maldives, Comoros, Zanzibar, and Chagos) and its littoral regions (Tanzania, Botswana, India, Thailand) over the past 25 years.

Quick Facts

Current Staff: 16

Current Affiliates: 15

Alumni: 100+

Affiliated Organizations: 7

Founded: 2003 (formal collaboration started 2000)

Website: <https://fect.lk>

2. Vision, Mission & Values

Vision

To generate and use research and knowledge for the benefit of society and environment, particularly the vulnerable.

Mission

To sustain a think tank and centre of excellence in climate, environment, disasters (CED) and information technologies with quality research to address societal concerns and ecological protection.

Goals

- Improved CED Justice, Governance and Policy
- Climate and Hydrological Diagnostics, Monitoring and Predictions
- Improved Disaster Risk Management
- CED Communication
- Sustainable Energy and Transport for Air Quality
- Empower Youth through Expertise and Capacity

Values

- Maintain credibility of research
 - Support societal welfare and prioritize the vulnerable
 - Maintain institutional technological capabilities
 - Maintain a culture of valuing each other
 - Non-discriminatory and Affirmative treatment
 - Free dissemination of knowledge
-

3. Contact Details

Head Office

Address: 76/2 Matala Road, Akurana, KY 20850, Sri Lanka

Phone: +94 81 230 0415

Phone 2: +94 81 237 6746

Email: info@fect.lk

Email 2: fectsl@gmail.com

Website: <https://fect.lk>

Branch Office

Address: Digana Village, Rajawella, KY20180, Sri Lanka

International Offices

Maldives: Male, Maldives

USA: New York, USA

HR / Careers Contact

Email: hr@fect.lk

Email 2: hr@tropicalclimate.org

CV Submissions: fectcv@gmail.com

4. Staff

Current Team Members

For more informations : <https://fect.lk/team/>

Name	Role	Background
Dr. Lareef Zubair	<i>Principal Scientist/Engineer</i>	Ph.D (Yale). Works in climate, environment, adaptation and technological advancement for the tropics. Postdoctoral Associate at Yale; Senior Lecturer at University of Peradeniya; Scientist at IRI/Columbia University.
Tuan E. Hadgie	<i>Project Manager</i>	Administrative Officer since 2017. Previously Operations Manager at Gateway Computer

Name	Role	Background
		Centre, Kegalle. ICDL System Administrator certified.
M. Z. Fathima Shakira	<i>Administration / Secretary</i>	Secretary since 2017. Completed Personal Secretary Course at NAITA, Kandy. Previously Trainee Secretary at National Institution of Fundamental Studies.
Nipuni Alahakoon	<i>Junior Research Scientist</i>	BSc (Hons) Quantity Surveying from ICBT. Previously Trainee QS at Squire Mech Engineering.
Dilrukshi Kulasooriya	<i>Information Technologist</i>	BMS (Hons) from Open University of Sri Lanka. HND in IT from SLIATE. Coordinates Data Library, web development and data-related work.
Achini Wijesiri	<i>Junior Research Scientist</i>	B.Sc. Hons Statistics from University of Peradeniya. Started July 2024. Research and Data Library work.

5. Vacancies / Career Opportunities

FECT is a small charitable non-profit that values opportunity for many over lucrative income for few. Work is done at offices in Akurana and Digana Village, Kandy, with remote work options. To apply, send CV + two professional references + cover letter to: hr@fect.lk, hr@tropicalclimate.org and fectcv@gmail.com.

Position	Key Skills Required	How to Apply
Accounts Internship	Excel, Word, bookkeeping, accounting, organized	fectcv@gmail.com / hr@tropicalclimate.org
Social Media Engagement Specialist	Facebook, Twitter, YouTube, graphics, infographics, writing	fectcv@gmail.com / hr@tropicalclimate.org
Epidemiological Scientist	Epidemiology/Biology/Zoology degree, statistics, field work	hr@fect.lk / hr@tropicalclimate.org
Physical Scientist	Physical sciences/engineering, math, stats, programming, publications	hr@fect.lk / hr@tropicalclimate.org
Programmer / Web Developer / Mobile App Developer	HTML, PHP, MySQL, JavaScript, CSS, WordPress, Linux	hr@fect.lk / hr@tropicalclimate.org
Administrative Assistant / Aide	English communication, office management, IT, organized	hr@fect.lk / hr@tropicalclimate.org
Non-Fiction / Science Writer	Strong English writing, attention to detail, self-motivated	hr@fect.lk / hr@tropicalclimate.org

Position	Key Skills Required	How to Apply
Personal Assistant / Aide	English, admin, IT, office management, organized	hr@fect.lk / hr@tropicalclimate.org
Instrument Technician	Electronics, instrumentation, troubleshooting, data management	hr@fect.lk / hr@tropicalclimate.org
Project Management	Grant management, English writing, IT, organized, admin	hr@fect.lk / hr@tropicalclimate.org
Graphic Designer / Video Producer	Adobe Premiere/Final Cut, motion graphics, social media video	hr@fect.lk / hr@tropicalclimate.org

6. Projects

FECT conducts research across multiple disciplines covering the Indian Ocean region. Below are the main project categories with links to project pages.

Project Category	Description	Project Link
Water	Water resources and river-basin research, hydro-climatic diagnostics, monitoring and prediction.	https://fect.lk/project/water/
Agriculture	Plantation and food agriculture research, economic valuation under AgMIP, socio-economic scenarios under CCAFS.	https://fect.lk/project/agriculture/
Environment	Environment quality (air, land and water), environment impact analysis, renewable energy and conservation.	https://fect.lk/project/environment/
Health	Malaria, Dengue and health research, epidemiological studies, infectious disease and climate linkages.	https://fect.lk/project/health/
Disasters	Disaster risk management, extreme weather event analysis, hazard early warning systems, tsunami relief.	https://fect.lk/project/disasters/
Coastal and Marine	Marine and coastal matters, Indian Ocean islands research (Sri Lanka, Maldives, Comoros, Zanzibar, Chagos).	https://fect.lk/project/coastal_and_marine/
Education	STEM education programs, school environment programs, capacity building and training programs.	https://fect.lk/project/education/
Communication	Climate bulletins, air quality reports, scientific outreach, social media, websites.	https://fect.lk/project/communication/

Project Category	Description	Project Link
Cyclone Ditwah (2025)	Latest project tracking Cyclone Ditwah (2025) and its impacts.	https://fect.lk/project/cyclone-ditwah-2025/

7. Services

Climate

- Data Management and Climate Informatics
- Climate Diagnosis, Modeling, Predictions and Projections
- Hydro-climatic Diagnosis and Modeling

Environment

- Environment Impact Analysis
- Technology and Communication
- Economic valuation under AgMIP
- Socio-Economic Scenarios under CCAFS
- History of Technology

Disasters

- Dissemination of Disaster Information
- Tsunami Relief
- Emergency Water Treatment System
- Support for Addressing Local Disasters
- Advocacy for Disaster Risk Preparedness
- Hazard Early Warning Systems

Capacity Building & Communication

- On-job training and Workshops
- Scientific and Professional Outreach
- Websites and direct outreach
- Social Media

8. Working Hours

8:30 a.m. to 4:30 p.m., Monday-Friday, with a half-day on Saturday.
